Mr. Epps:

Attached please find a response to your OPP dated March 31st.

I have been able to re-allocate some time of a legal assistant to assist with these ORRs. So I have adjusted the hourly to \$17.00 which is what we pay her.

I would like to redo the other responses to reflect this lower hourly rate for the most recent ORRs. And that should help me better determine when we will be able to get these records to you. She does need to be trained on the particular application we are using, but this is to show you the good faith effort we are undertaking.

I am sorry for the 15 minute delay in getting this response to you but I was finalizing the arrangements for the additional help.
